HAMPTON CONCRETE PRODUCTS, INC.

The Bulkhead Door that transforms your basement into a Warm, Comfortable Living space!

- An aluminum framed door with Polycarbonate panels
- Double shock system for easy opening and closing
- Locking handle from inside and outside
- Lets 85% of the natural sunlight into the basement
- Warms up the area
- Eliminates the dark, damp environment that insects tend to like
- Durable to withstand the New England states' weather
- Low Maintenance

We manufacture stock and custom sizes

*Easy to use
lockable handle*

"Best thing we did when finishing our basement. Real daylight down there. Does not look or feel like a basement. Plants thrive and it has become the go to room in our house..."

~Doug B.
