

Cleargress Doors

2021

~ PA 6939 ~

Manufactured Exclusively at
HAMPTON CONCRETE PRODUCTS, INC.

*The Bulkhead Door that transforms your basement into a
Warm, Comfortable Living space!*

- An aluminum framed door with Polycarbonate panels
- Double shock system for easy opening and closing
- Locking handle from inside and outside
- Lets 85% of the natural sunlight into the basement
- Warms up the area
- Eliminates the dark, damp environment that insects tend to like
- Durable to withstand the New England states' weather
- Low Maintenance

We manufacture
stock and custom sizes

Easy to use
lockable handle

Hydraulic Shocks
for easy opening

"Best thing we did
when finishing
our basement.
Real daylight
down there. Does
not look or feel
like a basement.
Plants thrive and
it has become the
go to room in our
house..."

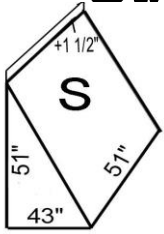

~Doug B.
